We are pleased to welcome you to the *2019 APEC TCTC: IP Portfolio Management & Patent Landscape Analysis*, which will be held on **14-15 March 2019 at Beyond Resort, Krabi, Thailand.**

Where is Krabi?

Krabi Province, which lies along the coast of the Andaman sea in Southern Thailand, is a top tourist destination as a result of its plentiful natural attractions including, white sandy beaches, crystal clear water, extensive coral reefs, numerous caves and waterfalls, and over 130 islands, including Koh Lanta and the jewels of the Andaman coast, the six islands of Mu Koh Phi Phi National Park.

While not the top destination in and of itself, Krabi Town is a charming provincial capital located along the banks of a river that leads to the nearby Andaman Sea. Consequently, Krabi is an important port city for both local fisherman as well as boats ferrying visitors to the nearby attractions, including Koh Phi Phi, Koh Lanta, and Railey Beach, one of the premier rock climbing destinations in the world.
